

# **The 13th International Seminar on Education of Talented Children in Mathematics**

The Korea Society of Mathematical Education (KSME) will host the 13th International Seminar on Education of Talented Children in Mathematics.

**When:** February 23, 2008 (Saturday).

**Venue:** Soongsil University, 511 Sangdo-dong, Dongjak-gu, Seoul, Korea

**Language:** English and Korean

- For Korean announcement see

- For foreign participants, contact Professor Young H. Choe at

[yhchoe1940@yahoo.co.kr](mailto:yhchoe1940@yahoo.co.kr)

or by FAX +82-42-826-1089.

**Call for Papers:** Papers written in English, which are accepted for oral delivery at the seminar, will be published as a special issue (Volume 12, Number 1: March 2008) of

**The Journal of the Korea Society of Mathematical Education Series D:  
RESEARCH IN MATHEMATICAL EDUCATION  
(RME)**

**Last Date of Submission for oral delivery: January 15, 2008.** For the instruction of preparing of manuscripts, see the reverse side. Send us the abstract of the paper as soon as possible. Submissions of the full papers (including abstracts) can be done by email at [yhchoe@kaist.ac.kr](mailto:yhchoe@kaist.ac.kr)

**Last Date of Submission for poster session: January 15, 2008 (abstract),  
February 15, 2008 (poster).**

## Call-for-Papers

The journal **RME** is an international journal, which provides a forum for the publication of research on the teaching and learning of mathematics at all levels (from preschool to adult-education).

**RME** is welcoming submissions of high-quality papers in all areas of mathematics education.

Electronic submissions can be done by email at  
yhchoe1940@yahoo.co.kr

All papers published in **RME** are available online in full-text.

**RME** is reviewed/indexed in Zentralblatt für Didaktik der Mathematik (ZDM) and MATHDI (the electronic version of ZDM).

### Submission of Manuscripts

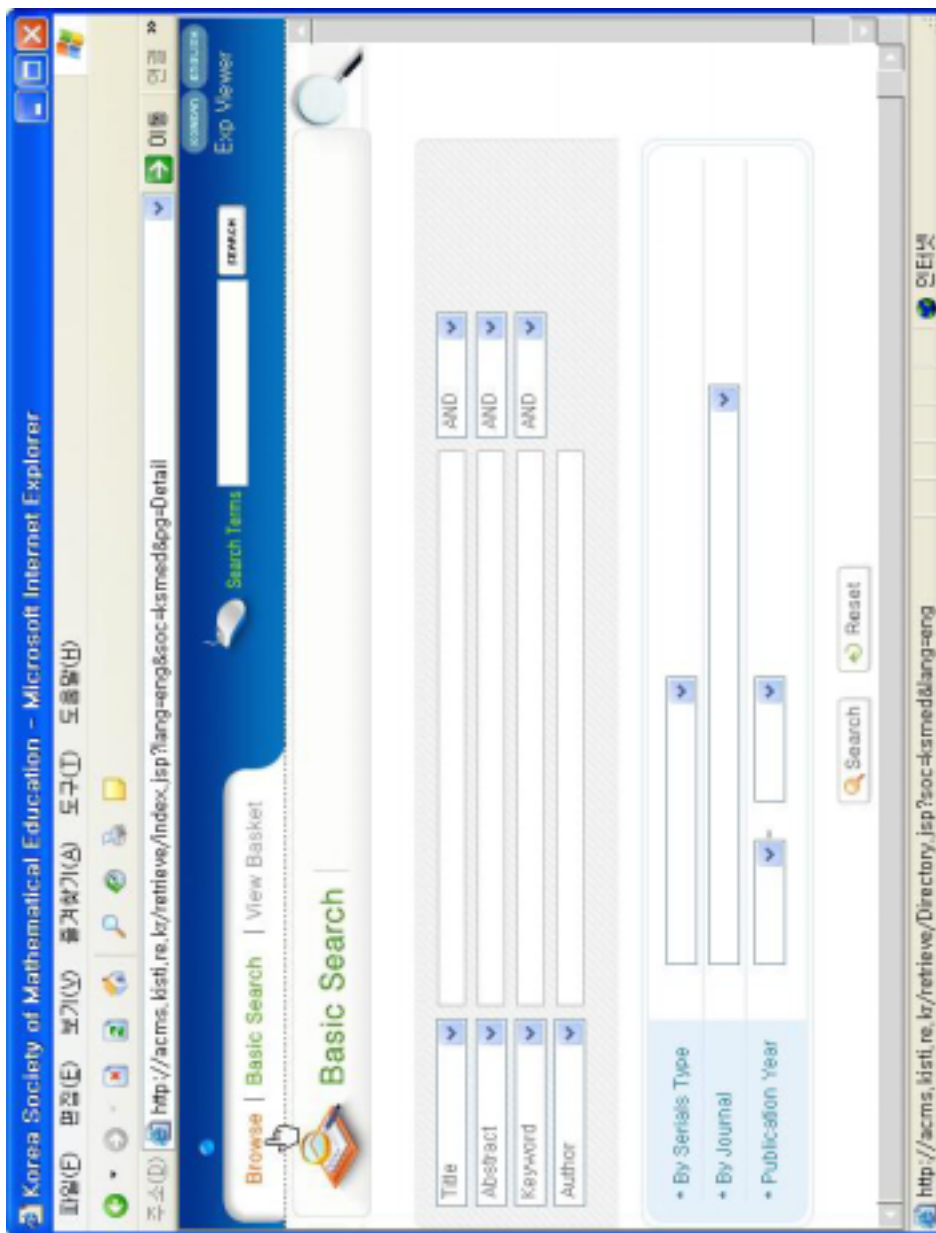

Manuscripts can be submitted to <yhchoe1940@yahoo.co.kr> or manuscripts stored on diskettes can be sent to the Society.

### Subscriptions

The journal **RME** is published twice a year, March, June, September, and December by the Korea Society of Mathematical Education. An individual KSME member with **RME** subscription costs US\$100 per year. An institutional member with **RME** subscription costs US\$160 per year. Inquiries regarding subscriptions and applications for membership (see form below) should be directed to:

The screenshot shows a search results page for 'Research in Mathematical Education'. The page is titled 'Search Result' and displays a list of search results. The results are organized into a table with columns for 'Search in results', 'Search', and 'Abs. Loc. Imp.'. The search results include titles such as 'Developing Mathematical Promise and Creativity', 'A Comparative Study of Mathematics Tests in China and UK', 'Using Spreadsheets with Mathematically Gifted Students', 'Overview of Special Educations for Gifted Students in Mathematics', and 'Math Creative Problem Solving Ability Test for Identification of the Mathematically Gifted'. The page also features a sidebar with navigation options like 'Basic Search', 'View Basket', and 'Search Terms'. At the bottom, there is a section for 'Research in Mathematic ...' with a tree view for back issues of RME.
